Numair **Shahzada**

Islamabad, Pakistan / numair.s@gmail.com / +92 333 522 3809 / linkedin.com/in/numairshahzada

01 — PROFILE

Growth and marketing leader with 15+ years across SaaS, education, hospitality, agencies and startups. I build businesses through better systems: replacing traditional funnels with AI-driven growth loops, automating operations, and pairing sharp brand and creative direction with data-driven acquisition. I have led marketing for national programmes, international schools, franchises and AI product companies, and worked hands-on with 200+ founders.

500% more leads per cohort, National Incubation Center	**400%** more footfall across 15+ franchises, chaaye' khana	**300%** more on-campus traffic, BCIS Bangkok	**40%** month-on-month growth via SEO, Couch Potato Pk

02 — EXPERIENCE

Head of Growth · Bajco Technologies — 2025-02 – Present

UNITED STATES

- → Leading the shift from traditional funnels to AI-driven growth loops, implementing 'Agentic Layers' that automate operational lifecycles and raise enterprise efficiency.
- → Driving distribution of Meal Dynamics AI, a back-office operations platform, with data-driven strategies for global customer acquisition.
- → Owning business development and creative direction across brand, campaign and product surfaces for Bajco Group subsidiaries.
- → Working cross-functionally with product teams to refine usability.

Chief Marketing Officer · Agile Loop — 2024-06 – 2026-09

LONDON, UNITED KINGDOM

- → Scaled go-to-market for a suite of AI-enabled products built on natural language interaction, making complex software simple to use.

Sales & Marketing Consultant · ORYX Learning — 2024-06 – 2024-12

ABU DHABI, UAE

- → Advised on sales and marketing strategy for an education provider in the UAE market.

Head of Marketing · Voyagersol — 2023-08 – 2024-03

ISLAMABAD, PAKISTAN

- → Built marketing systems and a high-performing team within six months.
- → Launched Sarhad University Islamabad Campus and the University of Bolton Islamabad.
- → Created branding and collateral for the group, including an international certification platform and a startup accelerator.

Growth Consultant · Teamup — 2021-02 – 2024-05

ISLAMABAD, PAKISTAN

- → Ran startup hackathons and strategic outreach campaigns; implemented data-driven marketing and BD strategies to grow visibility and leads.
